Seeing the world is easy when you travel with AAA. Tours include English-speaking guides to help you navigate your destinations and once-in-a-lifetime sightseeing opportunities.

## Eat your way around the world with AAA

If you've always dreamt of sampling freshly-made Roman gelato, hand-pulled Chinese noodles or authentic Peruvian hot chocolate, you're in luck: More and more travel companies are offering culinary-themed trips to hungry vacationers.

Roughly 80 percent of U.S. adults have participated in food-related experiences during their previous vacations; 75 percent say food and dining are very important to their travel experiences.

And if you're looking for a cuisine-focused trip in the United States, Mexico, Canada or the Caribbean, you'll find thousands of AAA Diamond Rated restaurants to choose from through AAA Travel Guides, the TripTik Travel Planner tool on AAA.com and in the AAA Mobile app.

Plus, check out these additional options to plan your very own tasty getaway!

- Get a taste of authentic Spanish cuisine with our eight-day guided trip (pg. 22), which includes a market tour and cooking experience.
- Explore the diverse tastes of the South, from hot chicken in Nashville to Derby Pie in Louisville, through our Bluegrass & Bourbon Trail drive tour (pg. 7).
